

## SUGERIDO POR... LAS ECMs

A) Desde la fe cristiana, la muerte es **descifrable**, su **sentido se puede desvelar**; es un misterio, a medias. Para entender esto seguro que puedes descifrar este texto; es posible, aunque difícil. Sustituye cada letra por la quinta anterior en el alfabeto. Dadle las gracias a Julio César, que es quien inventó este método de cifrado, je, je.
